

I am outraged at the decision of Sinclair Broadcasting's to air an anti-Kerry propaganda just before the upcoming election. This is a clear violation of their responsibilities as users of the public airways.

Sinclair uses the public airwaves free of charge. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. You have an obligation to protect the integrity of the broadcast system by demanding that Sinclair live up to its public responsibilities.
